

(Based On Early Christian Church Acts 2: 42-47)

The Lord has shown the following radical steps to be taken by the Churches in India to escape from persecution

- 1. No mention about money or tithe offering in the Churches**
- 2. No construction of Church buildings. Stop the Church building works even that are now going on.**
- 3. Moulding and training believers and releasing them from the Church after 6 months.**
- 4. Graduation of six months old believers**
- 5. Dividing the Church into small groups of 10**
- 6. Pastors should look for jobs and get employed**
- 7. No full time pastors for the church.**
